To Owens Communications Staff:

This letter is to commend you for being an efficient, rapidly responding vendor of DeltaCore Energy. We value support companies that respond quickly, act professional while on site, bill properly, and most importantly provide products and services that work reliably and consistently.

All of our experiences, with the wiring and equipment adds you have provided, have been done professionally and in a timely manner.

DeltaCore Energy appreciates our business relationship with Owens Communications very much and looks forward to a long, mutually beneficial one.

Sincerely,

Matt Golladay
