To Whom It May Concern,

My name is Leah Kline and I am the Senior Office Director for Habakkuk Medical Sales. In January 2015, we moved to new offices. Cox Communications staff recommended we use Owens Communications to verify and add any new Cabling needed at our facility. We hired Owens Communications to do just that. The team worked expeditiously to identify existing wiring we could use for our phones and computers. Then they made it work for how we needed our products configured. Very professional, reasonably priced and on time delivery. I definitely would be happy to recommend Owens Communications to you for any of your Technology needs.

Sincerely,

Leah Kline | Habakkuk Medical Sales
