To Owens Communications Prospective Customers,

PML Exploration Services LLC has known Kirk Owens for a long time. When Kirk was with a previous company we bought our current phone system from him. Since Kirk has launched Owens Communications we have employed his company to continue assisting with programming our system.

Owens Communications staff is always timely, professional, and accurate in dealing with our needs. I would definitely recommend them for any of their services offered.

A handwritten signature in black ink, appearing to read "K. Allen", with a long horizontal line extending to the right.

Keith Allen
IT Director
